New ESDaP website Our website has been renewed! We will be happy to hear your feedback through the feedback form (under about us - contact) www.psychodermatology.net

ESDaP - European Society for Dermatology and Psychiatry

Online courses for the diploma of psychodermatology Due to the pandemic situation, we have been working hard to prepare the 4 online courses leading to the ESDaP Diploma in Psychodermatology. These courses are a mixed of online meetings during 3 days and homework the participants had to do. These assignments are for the 3 advanced courses preparing lessons on different topics in pairs and presenting a clinical case and their lessons. For the basic course it is only a clinical case to present. There is also a role playing and other

dermatology, psychology and psychiatry are following the steps to the ESDaP Diploma in Psychodermatology. This year we will continue with the online courses. (See the announcement below).

The get together meetings 2 weeks before each course starts is a good time for networking and to answer all the questions of the participants. You can find here the General Information document and the Registration Forms Level 1 Part 1 & 2 and Level 2 Part 1 & 2.

You can follow 1 course a year but only 2 courses can be followed the same year! Seats are limited, so be sure to sign-up soon to reserve your spot! Latest news: Master classes will be provided by experts from the ESDaP Executive Committee. It will be available to all actual and past attendees of the courses who are still ESDaP members. Don't miss

2022 Online Courses: live sessions Level 1 Part 2: Oct 20,21,22 (+Oct 28: MCQ - Oct 30:1h)
