

# Training Course in Psychodermatology: last chance to apply!

European Society for Dermatology and Psychiatry

April 28th 2012

## Training Course in Psychodermatology: last chance to apply!

Visit our Website  
[www.psychodermatology.net/](http://www.psychodermatology.net/)

Dear Members,

The next Training Course in Psychodermatology will be held in **Brussels 19 -22 July 2012 in the EADV House**, with its financial and logistic support.

This course is organized for you, the practitioners interested in Psychodermatology, and therefore will start **on Thursday afternoon till Sunday noon**, so that you are not too much away from your work.

There is a **reduced fee for our members**. Moreover, the executive committee of the ESDaP has generously decided to reimburse one application fee. To whom? This will be a lottery during the course. So everyone has a chance!

The first course given in 2010 was successful. The participants were enthusiastic and developed a friendly network together.

There are so far only 6 applicants. We invite you to apply quickly. **If we don't reach 15 participants, the EADV will cancel the course.**

If you know interested people, please ask them to apply as soon as possible. **The deadline is extended till May 28th.**

We remind you the website [www.eadv.org/fostering-courses/](http://www.eadv.org/fostering-courses/) where you can download the application form and find the program.

Looking forward to meeting you in Brussels this summer,

John de Korte  
Uwe Gieler  
Francoise Poot  
Jacek Szepietowski
